Thursday, 22 Oct Treadmill walk/run 2:2 (50 min)

Section	Details
Warm-up	5 min brisk walk (5.5-6.0 km/h), 1% incline. 20 slow calf raises off the back of the treadmill, 10 leg swings each way.
Main	6 x (2 min easy jog / 2 min walk) = 24 min. Total run time 12 min.
Cool-down	5 min walk, then the 15-minute prehab routine (see Achilles and Knee Prehab Guide).
